Fort Mill School District Board of Trustees Statement

THIS IS THE GOAL OF THE FORT MILL PUBLIC SCHOOL DISTRICT: TO PROVIDE QUALITY EDUCATIONAL OPPORTUNITIES AND EXPERIENCES WITHIN THE FRAMEWORK OF AN INCREASINGLY HUMANE AND CONCERNED LEARNING ENVIRONMENT FOR ALL FORT MILL TOWNSHIP STUDENTS.

Regardless of the exact nature or specific direction of this quest, a vital ingredient to its successful attainment is “communication.”

The trustees of the Fort Mill School Board commend the Principal and Student Council of Catawba Ridge High School for this excellent handbook to be used as a guide (and means of communication) for students, parents, administration and faculty, and to serve as an effective instrument in setting a fair and impartial, yet strict and dignified, climate for the educational processes to be conducted in Catawba Ridge High School.

We look forward with confidence and hope to the exciting and challenging year ahead. We know that with mutual understanding and tolerance and with all concerned determined to work together toward providing the best possible educational advantages for all the people of our school district, we must succeed, and we will succeed. FMSD Board Policies and Procedures for Student Welfare, Behavior and Discipline

Standards of Conduct
Code of Laws of South Carolina State
Section 21-230 outlines the general powers and duties of school trustees and provides that the Board of Trustees shall promulgate “scholastic standards of achievement and standards of conduct and behavior that must be met by all pupils as a condition to the right of such pupils to attend the public schools of such district. The rules shall take into account the necessity of proper conduct on the part of all pupils and the necessity for scholastic progress in order that the welfare of the greatest number of pupils shall be promoted notwithstanding that such rules may result in the ineligibility of pupils who fail to observe the required standards, AND REQUIRE THE SUSPENSION OR PERMANENT DISMISSAL OF SUCH PUPILS.”

Section 59-24-60 requires school officials to contact law enforcement authorities when criminal conduct occurs. In addition to other provisions required by law or by regulation of the State Board of Education, school administrators must contact law enforcement authorities immediately upon notice that a person is engaging or has engaged in activities on school property or at a school sanctioned or school sponsored activity which may result or results in injury or serious threat of injury to the person or to another person or his property as defined in local board policy.

Searches
 Pursuant to State Laws, persons entering school property are deemed to have consented to a search of their person or property (Acts 373 of 1994). Searches may include wand metal detector and alcohol indicator instruments.

Code of Conduct (School Board Policy JICDA)
The District’s code of conduct and discipline is established to achieve and maintain order in the schools. In administrative rule JICDA-R, the board and the administration offer a list of offenses along with the required or recommended dispositions for the information of students, parents and school personnel.

Disciplinary actions will include appropriate hearings and review. The removal of a student from the learning environment will occur only for just cause and in accordance with due process of law.

The administrative rule is effective during the following times and in the following places:

1. On the school grounds during and immediately before or immediately after school hours
2. On the school grounds at any other time when the school is being used by a school grounds
3. Off the school grounds at a school activity, function or event
4. In route to and from school on a school bus or other school vehicle or in a personal vehicle

Students are required to conduct themselves at all times and places in a manner that will not be contrary to the best interest of the school. Conduct of the student in any manner, which
materially disrupts classwork or involves substantial disorder or invasion of the rights of others, is a basis for suspension or expulsion.

**Harassment, Intimidation or Bullying (School Board Policy JICFFA)**
The board prohibits acts of harassment, intimidation or bullying of a student by students, staff and third parties that interfere with or disrupt a student’s ability to learn and the school’s responsibility to educate its students in a safe and orderly environment whether in a classroom, on school premises, on a school bus or other school-related vehicle, at an official school bus stop, at a school-sponsored activity or event whether or not it is held on school premises, or at another program or function where the school is responsible for the student.

**Internet Access**
A policy describing acceptable user behavior and prohibited actions regarding the use of computers and network services at Catawba Ridge High School is in place. Students are required to return a copy of this policy signed by the student and his/her parent/guardian before he/she is allowed to access any computer program on the school network. If students do not adhere to the guidelines, disciplinary action will be taken.

**School Bus Safety and Regulations**
All students riding buses are under school rules and regulations and must sign a bus code of behavior. Any misbehavior while on the bus is serious because it distracts the attention of the driver and presents a danger to the safety of all students. Failure to abide by these rules may result in disciplinary action including suspension from riding the bus. For information regarding transportation, please refer to the district website and look under “District Information, District Departments, Transportation.”

**After School Detention**
After school detention will be held on Tuesdays, Wednesdays, and Thursdays for one hour. Detentions may be used for handling minor infractions of school rules. It is the student’s responsibility to arrange his/her own transportation home after detention hall.

**FLEX Detention**
FLEX Detention will be held during the daily FLEX time for students who fail to comply with teacher requests for their presence in their content area FLEX session. Students are referred by teachers and the detention is administratively assigned.
Saturday Detention
Saturday detention hall will be held from 8:00 A.M. - 12:00 P.M. Students must provide their own transportation. Any student who misses an assigned detention hall will be given two days of OSS. Once a student has broken the Saturday Detention Hall contract (i.e. failure to show), they may no longer eligible for Saturday D-Hall. They may be assigned 2 days OSS. Additional Saturday D-hall assignments will be left to administrator’s discretion.

Tardiness to School/1st Period Class
No student shall be tardy in his/her arrival for school without permission or excuse by school officials. For every tardy to school after the 3rd tardy, the student will not be allowed to go to 1st period and must report to ISS, where he/she will remain for the rest of the class period. No student will be allowed entry to 1st period class after 9:25 unless he/she provides a medical excuse. After the fifth tardy to school the student will have his/her parking permit revoked for the remainder of the semester.

Tardy to 2nd, 3rd, 4th Period Class
When the tardy bell rings, all teachers will close their doors and no one will be allowed to enter unless students have a pink slip. The student then has five minutes to report to Time-out. If students fail to report to Time-out with-in the five minutes, then they are turned in for skipping. Disciplinary action does not take place until the student has accumulated five tardies for all classes. Remember, this is for cumulative tardies, which include tardies to school.

Accumulated consequences for TARDIES to school and class are listed on the LEVEL ONE OFFENSES Discipline Chart.

Attendance Procedures

S.C. Compulsory Attendance Law
The law requires that a student attend school until he or she has reached seventeen years of age. It guarantees his/her right to remain in school, PROVIDED THE STUDENT IS NOT DISRUPTIVE AND FOLLOWS FUNDAMENTAL RULES AND REGULATIONS.

Good attendance in all classes is of utmost importance for maximum learning to take place. All students are to be conscientious in maintaining regular attendance.

Attendance Regulations
The Catawba Ridge High School attendance policy has been adapted from the York District Four policy due to the implementation of block scheduling. The percentage of time allowed for absences remains the same. Students will be allowed five absences per one-credit course. Parents are encouraged to call the school attendance office regarding questions pertaining to attendance.
Valid Reasons for Excused Absences are the following:

- Illness or injury - may require a Doctor’s note
- Quarantine - when the Health Department requires that all members of family stay home
- Bereavement - death of mother, father, sister, brother, spouse, son/daughter, grandparent, parent, or guardian, aunt, uncle, cousins
- Medical appointment - Doctor/Dentist/Clinic
- Court proceedings (must have subpoena)
- Religious observance (requires prior approval by the principal)
- Educational opportunity (requires prior approval of the principal)
- Military Visit /College Days – must provide official documentation from visit (2 days for seniors)

NOTE: Excusing an absence does not mean it is erased. Excusing the absence means there is a legal/valid reason for the absence, but the absence remains on the student’s record.

Absence Excuses
A student must turn in a written excuse for an absence to the attendance office on the morning of his/her return to school. The attendance clerk will mark the note excused/unexcused and file it in the student’s attendance folder. Two days may be excused per child per term with a note from a parent for an illness that does not require a doctor’s visit. The note must contain the child’s full name, date of absence, phone number and parental signature. All documentation must be turned in to the attendance office within five days of the absence. Late documentation will not be accepted. Exceptions due to mitigating circumstances are subject to approval of the administration.

An attempt will be made to personally contact a parent/guardian when a student is absent from first period. Letters will be sent home on the third and fifth unexcused absence. A credit denial letter will be sent home after the sixth unexcused absence. After 10 total absences, lawful or unlawful, the principal will approve or disapprove each succeeding absence.

In accordance with state law, any student who misses 5 days unexcused must meet with the attendance supervisor and formulate an intervention plan.

Sickness at School
Students who are ill should obtain a pass from their class teacher to go to the nurse’s office. The nurse will make arrangements for a sick student to go home by contacting one of the parents or a guardian. The student must sign out with the attendance office. Students should not use a cell phone to contact parents. Cell phone may be confiscated if used.

Late Arrivals/Early Dismissals
Late arrivals/early dismissals must sign in/out through the Attendance Office. Early dismissal notes should include: reason for leaving, student’s full name, parent’s name and phone number for verification, parent’s signature, date and time of dismissal. No student will be dismissed after 3:10 PM without approval by a principal. On exam days, students must have a parent note or the parent must come in to sign his/her child out for the day. There will be no over the phone dismissals.
Signing Out and Returning to School
Once a student signs out of school, he/she may only re-enter with proper documentation from a physician, orthodontist, dentist, mental health center, court, or funeral. Any other exception would need approval by a principal.

Bereavement
Students will receive the following days for bereavement and the proper documentation must be turned into the Attendance Office:

Immediate family - three days, proper documentation must be supplied. (i.e. obituary, funeral program)

Extracurricular Participation
Students who participate in extracurricular activities must be in attendance at least one-half of the school day on the day of the event or a half day on Friday if the event is held on the weekend.

Request for Appeal of Credit Denial - Attendance Policy
The parent of a student missing more than five days may request an appeal of the five day policy if, in his/her opinion, unavoidable mitigating circumstances caused the student to be absent. The student must have passing grades, and the parent must be able to furnish proper documentation showing unavoidable mitigating circumstances in order to be eligible for an appeal.

Administration will hear appeals for credit denial and make recommendations. Parents not satisfied with the decision shall have the right to appeal the decision to the District Hearing Officer.

An attendance recovery program is available to provide students the opportunity to retrieve a course that they could have passed, but missed too many unexcused days and therefore, were denied credit. At the end of each semester, the administration will contact those that qualify for this program.

- Maximum number of days to be recovered is 3.
- In order to be eligible, the student has over 6 unexcused absences, but fewer than 10 (Day 7, 8, 9) and is passing the class.
- Tuition will be charged at a rate of $10 per class period to make up. This will be due before or at the beginning of the makeup session. Cash or money order only. NO refunds will be given if student fails to show up or is late for makeup session.
- 1 Class Period = 90 minutes
- Students are expected to complete class assignments, reading, or SAT/ACT preparation activities during the make up sessions.
- Once the days have been made up under the conditions listed above, credit will be restored to the original grade.
Student Appearance and Dress

Policy JICA Student Dress/Uniforms (APPROVED Changes as of 1/21/20)

Although the responsibility for the dress and appearance of students rests with each student and his/her parent/legal guardian, students are expected to show pride in themselves and their schools by having their dress and appearance in accordance with good acceptable standards. The school administration and board discourage extreme styles of dress and grooming.

Students will dress in appropriate attire. Students are expected to dress in clothing that abides the district dress code policy. Logos or clothing that promotes alcohol, drugs, tobacco, racism, hate, gang affiliation, nudity, violence, or profanity is not allowed. No clothing or accessories are allowed to disrupt the educational process. The administration reserves the right to determine what is appropriate for school.

Dress Code violations will be handled with dignity, discretion, and respect toward all students by school staff members throughout the district.

The board may establish such administrative rules and procedures as necessary to enforce this policy.

Students will follow these guidelines during the traditional school day. School administration reserves the right to permit exceptions to the policy for school-sanctioned events. In the interests of health, safety, cleanliness, decency, and decorum, students will follow these guidelines

Grades Six through Twelve

Proper shoes must be worn at all times for safety reasons. Shoes with cleats may not be worn outside of sanctioned athletic events.

Students may wear shorts, dresses, skirts, etc. whose length is no shorter than the mid-thigh. Tops must be long enough that they can be tucked into pants or shorts. No headwear (hats, caps, hoods, etc.) or sunglasses may be worn in the building by students upon arrival and until dismissal.

The following items are not appropriate for school:
- Undergarments that are visible
- Pants or jeans with holes, tears or tattered to the extent that skin or undergarments are visible above the mid-thigh
- See-through garments showing skin or undergarments above the mid-thigh are not allowed
- Tops with straps that are less than 3-fingers wide of the student

If there is a disagreement between students and/or parents/legal guardians and the staff regarding the appropriateness of clothing, the administration will use discretion to make the decision. Disciplinary action regarding the enforcement of this policy is listed below.

Violations will result in the following for Middle & High School:
- If violation can be resolved in a timely manner, student will remain/return to class without further disciplinary action
- Following 3 unresolved offenses/violations, all subsequent violations will require parent conference and detention

In all offense levels, if the article of clothing promotes extreme offenses such as acts of violence, profanity, nudity, hate-filled language, or other conditions presenting a potential disruption to the learning environment, then the student may be sent to ISS until suitable clothing is brought to the school.

**Skateboards:** Skateboards, roller-blades or roller-skates are not allowed on campus at any time.

**The Following Are Examples of Code of Conduct Level One Violations:**

**Disorderly Conduct**

*Aiding, abetting or concealing any of the behaviors listed may result in punishment as a principal participant at the discretion of the administration.

**Cheating** - Any act, which in itself would be considered as providing or receiving help on any schoolwork, will be dealt with as cheating. Students could possibly be prohibited in participating in extracurricular activities, and the incident could be placed in student’s permanent file. If another student allows a student to copy his/her work, then both students will receive disciplinary action. Students caught cheating will receive a zero on the work and parents will be contacted by teacher.

**Plagiarism** – Any student found to be plagiarizing or taking ideas from another’s work and claiming as his/her own will be dealt with as plagiarism. Students could possibly be prohibited in participating in extracurricular activities and the incident could be placed in student’s permanent file. Students caught plagiarizing will receive a zero on the work and parents will be contacted by teacher. Failure to use citations is included in this definition of plagiarism.

**Profanity** – Acts of profanity by students will be disciplined by a principal.

**Obscene Literature/Material** - A student who is found with obscene or pornographic literature in his/her possession while at school will be subject to suspension for first offense and expulsion for second offense. This includes slides, motion pictures, videos, computer programs, CDs, tapes, and other materials.

**Distribution of Unauthorized Materials** - The principal must approve and authorize student distribution of materials.

**Leaving School Grounds Without Permission** – A student may not leave school grounds for any reason without checking out through the Attendance Office. This includes the time BEFORE school starts in the morning. Using a personal vehicle to leave school grounds without permission will mean a loss of parking privileges for the remainder of the term.

**Setting Own Schedule** - Each student will be assigned a school schedule and must adhere to this schedule except when excused by the principal or a teacher authorized to excuse a
student. Should it become apparent a student is not adhering to his/her set schedule, then the student and parents will be contacted and the student will be subject to suspension. Truancy charges may be filed.

**Skipping/ Staying On Campus** - Students must be in their assigned classes. Any student who skips a class, but does not leave campus, will be subject to detention and/or suspension. Students will also receive an unexcused absence.

**Gambling** on school property or at a school activity is not allowed.

Any **Public Display of Affection** on school property or during school-sponsored activities is strictly forbidden. PDA includes any kissing or any contact that may be construed as having a sexual connotation.

**Not Dressing Out In PE Or ROTC** - Any student not dressing out in PE or JROTC will be given written work to be completed and turned in that day for 1st and 2nd offenses. Third offenses and beyond will result in disciplinary consequences.

**Parking Violations** – Any student who does not abide by the rules as they relate to automobiles on campus will be subject to suspension of their campus driving privileges. Students parking on campus without approval may be subject to suspension. Parking on campus without Alive at 25 or a parking sticker will result in disciplinary action.

**Classroom Disruption** – Student is acting in a manner so as to interfere with the instructional process.

**Cell Phones, Headphones, CD Players, IPODs, MP3 Players, Radios, Etc.** - A student may possess a headphone, CD player, iPod, MP3 player, radio, etc. in school as long as the device remains powered off and is not visible during the school day (8:40-3:40) (exceptions are listed below). School Bus restrictions and detentions apply beyond these hours. A student in possession of these devices in conflict with this policy will be referred to administration. Students bring these devices to school at their own risk.

**Catawba Ridge High School Electronic Device Policy**

When may cell phones and/or electronic devices be used?
1. Prior to 8:40 am
2. For instructional purposes during class time when specifically permitted by the teacher
3. During FLEX in the courtyard
4. After 3:40pm

**Note:** Headphone use is not allowed outside of classrooms during the school day.

**Who is responsible if the device is lost or stolen?**
The student is solely responsible for the care and protection of his/her device at all times and should never leave it unattended. Students should guard against theft as they would in any other public building or area. Theft of electronic devices at school is a realistic possibility and often the devices cannot be recovered. Students should keep the devices on their person at all times or
locked away. School personnel and administrators are not responsible for the loss or damage of any cell phone or electronic device brought on school property.
Violations:

1. Use of a cell phone or other electronic device during unauthorized times. (i.e. between classes or during class without the permission of a teacher or administrator.)

2. Use of a cell phone or other electronic device without expressed teacher permission during instructional time. Students may use cell phones or other electronic devices during instructional time only if the classroom teacher gives explicit permission for such action as a mean of enhancing a lesson.

3. Audible tones. (Cell phones and other electronic devices must be powered off from 8:40 A.M to 3:40 P.M., unless instructed otherwise by a teacher or during FLEX in the courtyard. Simply having your cell phone or electronic device powered on but placed on a “vibrate” or “silent” setting is a violation of Catawba Ridge High School’s policy.)

4. Use of video, camera, or sound recording functions of devices at any time without the explicit permission of a teacher or administrator.

5. Use of cell phone or electronic device as a means of enabling or enacting academic dishonesty. (All students involved in the use of cell phones or other electronic devices for academically dishonest purposes will face disciplinary actions for violating both the academic dishonesty and electronic device policy, and they may be banned from having such a device for the remainder of their attendance at Catawba Ridge High School.)

6. Use of a cell phone or electronic device to engage in illegal or unethical behavior, such as bullying, harassing, threatening, or intimidating students. Students engaged in such behaviors will face disciplinary actions for violating both the student code of conduct and electronic device policy, and they may be banned from having such a device for the remainder of their attendance at Catawba Ridge High School.

*** The student is solely responsible for powering off any cell phone or electronic device after use in a class where a teacher has allowed for such use during instruction. Failure to power off a device after its use in approved classroom instruction will result in student noncompliance with the electronic device policy in subsequent classes and may result in disciplinary action.***

Physical Abuse of a Student - Penalties for fighting among students will be left to the discretion of the principal. Under normal circumstances, a first offense is a three-day out-of-school suspension. A second offense is suspension and an arrest. A student who attempts to use, or uses, a lethal weapon (knife, ice pick, blackjack, firearm, pipe, belt buckle, etc.) will be suspended immediately and the principal will file a request for expulsion of the student. (Specifically prohibited are the following: Any threat, physical or verbal, directed towards another student; fighting or any conflict that would create a precarious situation within the jurisdiction of the school.)

No student shall direct toward any person any language which is abusive or insulting or any sign or act which is abusive. This includes 1) engaging in malicious gossip or cursing, 2) using vulgar or obscene language, 3) using abusive language, including slurs or insults intended to mock a person’s race, religion, sex, national origin, disability or intellectual ability, or 4) using sexually offensive or degrading language.

Violation of this policy may lead to expulsion. If, because of mitigating factors, an expulsion is felt to be inappropriate, the student may be suspended for ten days and may be suspended from co-curricular activities (such as sports-related/band-related activities) for the remainder of the school year. The student may be asked to complete a Drug/Alcohol Intervention Program.

**Tobacco Policy** –Students shall not be permitted to use or possess tobacco products, e-cigarettes, or smokeless electronic devices while on school grounds, in the school buildings, on buses, or during any other time that the student is under the direct administrative jurisdiction of the school whether on or off school grounds. Lighters and matches are strictly prohibited. Lighters and matches will be confiscated.

**Enforcement Procedures (Tobacco Policy)**
The following outlines the actions to be taken with students who violate this policy:

1st Offense: The student and parents will be notified by an administrator by phone. The student will remain in school and follow normal class schedule for the remainder of the school day. The disciplinary action will be two Saturday detentions.

2nd Offense: The student will receive three days of In-School Suspension (ISS). The parents will be notified in writing and will be advised that the third offense will lead to long-term suspension.

If, because of mitigating factors, expulsion is felt to be inappropriate, the student shall be suspended for ten days and may be suspended from co-curricular activities (such as sports-related/band-related activities) for the remainder of the school year. The student must also complete a Drug/Alcohol Treatment Program. (No student shall possess, transmit, purchase, barter, distribute, any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, or other controlled substance, any alcoholic beverages, non-alcoholic or pseudo-beer or any other intoxicating liquor, drug paraphernalia. No student will market or distribute any substance, which is represented to be or is substantially similar in color, shape, size or markings of a controlled substance.)
Fireworks - A student who is found with fireworks in his/her possession or discharges fireworks on the school grounds is subject to suspension for the first offense and expulsion for the second offense. (Fireworks include any explosive or incendiary devices including smoke bombs, stink bombs, and noise producing devices. Possession includes handling, transmitting, or using).

Sexual Offenses - This includes any sexual harassment or indecent exposure. Student may be subject to suspension or expulsion.

Sexual Harassment - The district prohibits sexual harassment of students by district employees, other students or third parties. All students and employees must avoid any action or conduct which could be viewed as sexual harassment.

Sexual Harassment consists of unwelcome sexual advances, requests for sexual favors, and other Verbal or physical conduct of a sexual nature when the following occurs:

- Submission to or rejection of such conduct by an individual is used as the basis for any decisions affecting a student.
- Such conduct has the purpose or effect of unreasonably interfering with a student’s education or creating an intimidating, hostile or offensive school environment.

Any student who feels he/she has been subjected to sexual harassment is encouraged to file a complaint in accordance with administrative rule JI-R. All allegations will be investigated promptly and confidentially. The district prohibits retaliation or reprisal in any form against a student who has filed a complaint of sexual harassment.

These acts may include forgery, committing arson, pulling fire alarms, making bomb threats, dialing 911, or hazing.

A bell to alert students to prepare for class will ring three minutes prior to the tardy bell for each block. Student drop off should not occur prior to 7:40 AM and unless students are engaged in a supervised school activity. Students should be off campus by 4:10 PM unless students are engaged in a supervised school activity. If students are consistent in loitering after school, discipline consequences could be enforced.

Supervision of Students
Supervision will be provided in designated areas for a reasonable length of time before and after regular school time for classes or an extracurricular activity. Supervision will be provided for students who ride a bus upon their arrival and until such time as the bus departs after classes are dismissed. All other students will be provided supervision no more than 30 minutes prior to the beginning of school and 30 minutes after classes are dismissed. Students who are repeatedly on school premises without special permission will be subject to disciplinary action and/or arrested for loitering. The building opens at 8:10 AM. Student drop off should not occur prior to 7:40 AM.

Building Entrance
Students should only enter the main building from the student drop-off area, student parking lot, and the bus drop-off area. Student drop off and pick up is at front door of main building.

School Meals
Our cafeteria serves breakfast and lunch each school day. Menus, nutritional and allergen information are available on our website and posted on television screens in the cafeteria. There is also a free App available for your smart phone called Mealviewer. The cafeteria also offers extra sale items to purchase if money is available on your student’s meal account. All foods served by the cafeteria meet state and federal guidelines and the kitchens are tree nut and peanut safe.

There are three easy ways to pay for meals and extras:
Online via the district website’s Pay Fees lunch card feature. You are also able to see meal purchases and balances. You can set up email alerts for balances on Parent Portal.

By a separate check made out to your school’s cafeteria. The check should not include other school fees. Please note the child's cafeteria account number on the check - if the check is written for more than one child, each child's account number and the amount to credit to each child should be noted on the check. Include a phone number.

Cash is also accepted as payment but is strongly discouraged as it can be lost.

Transfer of funds from one sibling to another is also available via the Student Nutrition tab on the website.

The meal costs for students are:
Breakfast=$1.35 Reduced Breakfast Price $ 0.30
Lunch=$2.50/3.00 Reduced Lunch Price: $0.40
The price for adult breakfast is $2.30; adult lunch is $4.00.

Applications for free and reduced-price meals are available at all times in the school office, in the cafeteria and on the district website and you can apply online at www.lunchapplication.com. Students must reapply each year.
Our cafeteria does not deny students meals and we allow students to charge meals up to $15. Automated calls, emails and letters are sent out weekly for students who owe the cafeteria money. If your student owes more than $15 a charged alternate meal will be provided until payment is received or a payment plan is established. (Board Policy AR EF.)

Due to the number of food allergies, homemade or home baked foods are not allowed to be distributed to students within the classroom or applicable classroom setting. Acceptable foods for distribution are those items that were prepared in a commercial and/or licensed kitchen, and most importantly, are packaged with a label clearly listing the contents and ingredients of the food item. This policy is designed to provide consistency and minimize allergy risks in all classrooms, while maintaining a safe and positive learning environment for all students. (Board Policy J LCDD) Our district also has a Wellness Policy (Board Policy ADF and EFE) which can be found on the website.

Medication at School
Students are not permitted to carry medication while at school. If your student requires administration of a prescription or non-prescription medication during the school day, please refer to the following policy:

Permission for School Administration of Non-Prescription Medication

- Non-prescription medications are medicines that you can buy without a written prescription from a health care practitioner. Non-prescription medications are sometimes called “over-the-counter” medicines.
- In order for a child to be given non-prescription medicines at school, the child’s parent/guardian must sign a permission form. The medication must be in the original, marked container with the manufacturer’s seal unbroken. A medication permission form (M105) will need to be completed on each medication that is to be given at school.
- If a non-prescription (OTC) medication is written as a prescription by the health care provider, the child’s health care provider and the child’s parent or guardian must sign a permission form (M 105). The medication should be in a labeled bottle by the pharmacy.
with the child’s name, the name of the medication, and the times of administration. Whenever possible, the expected duration of treatment shall be stated.

- If a non-prescription medicine is currently being given at school or home and needed while your child is on a field trip, the parent/guardian must bring and supply the medicine to school by the day of the field trip. It must be in the original, marked container, with the manufacturer’s seal unbroken and have the M105 form completed for each medication and signed by the parent/guardian. Additional labeled bottles may be obtained from your pharmacy. No Ziploc bags will be accepted.

- A responsible adult should deliver the medicine and the permission form to the school. The medicine must be in the original container with the label on it and manufacturer seal unbroken. The dosage of the medicine cannot exceed the recommended dosage from the manufacturer without a prescription from the child’s health care practitioner.

- Daily Medications are medications that require daily administration while at school per a physician’s order. Please follow the medication guidelines above. If your student has been prescribed a controlled medication, please bring the medication directly to the nurse. Do not leave the medication with the front office staff.

- Medication for field trips will be provided by the parent to the school the day of the field trip following the guidelines listed above.

- Chronic Health Conditions that require the student to carry medication with him/her while at school will require additional paperwork. Please contact the school nurse for further information.

Please note that all medication should be claimed by a student’s parent at the end of each school year or the medication will be discarded. No medication is kept in the Health Room over the summer. All medication permission forms are required to be updated yearly.

College & Military Visits
Students should schedule college visitations during school holidays whenever possible. However, the principal will allow juniors to use one school day and seniors to use two school days which will be classified as field trips to visit out-of-town colleges, provided documentation on the college letterhead from the admissions office is turned in to the attendance office. No college visits will be allowed after May 1, 2020 unless approved in advance by the principal.

Computer Lab Usage
Students are not allowed in computer labs without supervision (one or two may be sent to media centers). Individual students may not use computer labs without a teacher pass stating the nature of work to be done. Students may not download or install any software on school machines, nor do anything that changes the appearance of the desktop.

Inclement Weather Procedures
Decision to close or delay schools will be made by 6:00 AM. Please listen to WRHI - AM1340, WRHM - FM107 or Charlotte TV stations for announcements for Fort Mill School District # 4, not York County Schools. There will be no breakfast if school is delayed. When hazardous weather conditions develop during the school day, a decision to close schools early
will be communicated to the schools, law enforcement agencies, and the area news media as soon as possible. Lunch will be served early if schools close before 1:00 P.M.

**Change of Address or Telephone Number**
Any student who moves to another location must report the change of address to the Guidance Office immediately BY BRINGING IN VERIFICATION (forms available in guidance office). Changes in telephone numbers should be reported also. This is necessary in order to keep school records accurate and up to date.

**Immunization Requirements**
Students enrolled at Catawba Ridge High School must have a South Carolina Certificate of Immunization as determined by the South Carolina Department of Health and Environmental Control. Students enrolling from out of state may obtain a Certificate of Immunization from the health department or a healthcare provider. Transfer students are required to present a Certificate of Immunization within 30 calendar days of enrollment. If proper documentation is not received on or before the 30 day expiration date, the student will not be permitted to attend school after the 30th day per South Carolina state law. Textbook Procedures
Students are issued state-owned textbooks free of charge. Each text will have an identification number and the student’s name written on the inside cover. Textbooks are typically used in South Carolina schools for a six-year adoption cycle. It is imperative that students take care of texts ensuring they are returned in a condition acceptable for re-issue. If a text is lost or returned showing excessive signs of wear or abuse, the student will be charged for full replacement costs. In addition, the school reserves the option of holding student records for any student failing to clear textbook charges. Records of lost or damaged texts are kept in the bookkeeping and guidance offices. Seniors will not be graduated until all textbook charges are cleared. Textbook charges will be paid to the school bookkeeper. Book covers are available in the front office, and students are encouraged to use them.

Per the Fort Mill School District Policy, prior to parking on campuses, all students must complete the Alive @25 Defensive Driving course.

The school is not responsible for any property or for any damage to vehicles parked on campus, nor is the school responsible for settling disputes arising from such.

All cars parked on CRHS campus are subject to search by school administration. Any student who parks on CRHS campus without appropriate parking permit, may be subject to fines and/or disciplinary action ($10, $25, 3Days OSS, Alt/Expulsion).

**Changing Class- “Do Right”**
During change of classes, students should move promptly to their next room assignment, keeping to the right side of the hall. Students should not block doorways or congregate in groups in a way that would prohibit hall traffic from moving freely.

**School Security System**
As part of the school security program a digital monitoring system will run 24-hours a day. The purpose of the system is to improve security by displaying live images of activities throughout the school and to improve investigative effectiveness by providing taped coverage. Cameras are located throughout the school. Anyone found tampering with the system in any way will be prosecuted to the full extent of the law and school discipline policy.
Emergency Drills
Each classroom teacher will review all emergency plans. To prevent a possible tragedy, we must all cooperate to ensure that everyone knows his/her proper route out of the building in case of fire. Refer to FORT MILL SCHOOL DISTRICT 4 Crisis Management and Securities Plan for further instructions.

Gifts and Parties at School
Students are discouraged from exchanging gifts with other students and from giving gifts to teachers during instructional time. No parties will be held at school during the instructional hours or at times during the regular school day. Drink Machines/ Snack Machines
Drink and snack machines are available for student’s use before school, during all breaks, during lunches, and after school. No drinks/snacks will be permitted in the classrooms. The
machines will remain on our campus provided students are responsible for seeing that drink cans and wrappers end up in the proper trash disposal. Drinks and snacks may not be purchased during class time. Water may be allowed in the classroom at the discretion of the teacher. All foods and beverages sold or pre-sold on campus during the course of the school day shall comply with current USDA Smart Snacks standards, state policies, and district policies. (See EFE, Competitive Food for more information).

**Theft Prevention**
The best method to stop thefts at school is to be conscious of the fact that opportunities for thefts to occur can be eliminated. Each student and employee of the school has a responsibility in the area of preventing thefts. The school WILL NOT be responsible for items that are lost or stolen.

Listed below are some helpful hints to prevent theft while on campus:

- Never leave valuables/purses unattended.
- Never leave anything other than clothing in your locker during physical education. Valuables should be given to the instructor.
- Always check the lock on your locker to make sure it is properly closed. Avoid letting anyone else see your combination or giving it to friends.
- Band instruments should never be left unprotected.
- Always keep your car locked. Never leave valuables visible in your car.
- Cell phones/MP3 players and money are the most frequently stolen items in the school.

**Classroom Activities/Celebrations – Acceptable Food Guidelines**
Effective with the 2015-2016 school year, homemade or home baked foods are no longer allowed to be distributed to students within the classroom or applicable classroom setting. Acceptable foods for distribution are those items that were prepared in a commercial and/or licensed kitchen, and most importantly, are packaged with a label clearly listing the contents and ingredients of the food item. With the continued rise in severe and often life-threatening food allergies, this policy is designed to provide consistency and minimize allergy risks in all classrooms district-wide, while maintaining a safe and positive learning environment for all students. It is important to note that the policy does not apply to a student’s personal lunch.

The policy is part of a larger, comprehensive Food Allergy Guideline approved by the Board of Trustees in May 2014, which can be found on the district’s website at [http://www.fortmillschools.org/] under “Board Policies.” Further questions can also be directed to the principal, school nurse, or by contacting the district office at 803-548-2527.

**FERPA Information**
The Family Educational Rights and Privacy Act (FERPA) is a Federal law that protects the privacy of student education records. The law applies to all schools, which receive funds under an applicable program of the U.S. Department of Education. For further information regarding your rights under FERPA, please refer to the “For Parents” section of the school district’s webpage at [http://www.fortmillschools.org/].

Guidance Department (803-835-5241)

9th-12th Grade School Counselors
A-E - Hill
F-L - Bednarz
M-R - Gulledge
S-Z - Dreher

Educational and Career Planning
Counselors assist students in the planning of a high school program that will help them to realize their educational and career goals. Each student has an individual conference with a counselor each year in which they review the student’s progress and make plans for the next year. Additional conferences may be held at any time during the year at the request of the student.

Post-Secondary Education
The area of post-high school education (College, Technical School, etc.) is a major concern of the School Counselors. Counselors aid students in selecting the schools which meet their needs.

Services rendered:
- Information - Catalogs and other materials describing the educational programs and entrance requirements of schools throughout the country are available in the Guidance Office and on the Guidance website.
- Admissions Tests - Information regarding ACT, SAT, PSAT and any other test necessary to gain admission to colleges are available in the Guidance Office and on the school website.
- Application Process - Counselors assist students by providing resources to research colleges, located their admissions procedure and help with supplemental application materials as needed.
- Financial Aid and Scholarships - Information and application forms relating to the many types of financial aid available at post-secondary schools are available in the Guidance Office and on the website.

Career Goals
Career planning is another important area in which counselors work with students. Two major goals in this area are the following: 1) to make the students aware of the many vocational/career areas available in our society; and 2) to assist students in determining which vocational areas are most related to their individual interests and abilities. Two means used to accomplish the above goals are (a) vocational literature that provides information in the areas of job descriptions, training programs, working conditions, and salaries for most occupations; and (b) career assessments.

Personal/Social Counseling
A major concern of school counselors is to help students make adjustments to difficult situations they encounter. By actively working with students the counselor strives to help each student adjust in areas such as peer relations, academic concerns, self-concept development, and human relations skills. This service is available to all students at their request.
Release of School Records

The Family Educational and Privacy Act (FERPA) of 1974 require the following procedures to be observed in the release of school records:

- School records cannot be released to any individual or agency (employer, government agency, etc.) without the written consent of a student’s parent or guardian. If the student is 18 years of age, he/she may sign for the release of his/her records.
- School records will be released, without written consent of parent or guardian, to officials of other educational institutions in which the student intends to enroll. The student’s parents or guardians must be notified of the transfer, and they may receive a copy of the record if they desire.

Guidelines for Counselor-Student Confidentiality in Fort Mill School District

The issue of confidentiality is involved in every counseling interaction. It is important to inform students prior to beginning the counselor/student relationship that there are possible limitations that may affect the relationship. Counselors know their limitations and will not act beyond the bounds of their professional qualifications, and will refer students to community resources when appropriate.

Whether the topic of confidentiality is discussed or not, all communications between the student and the counselor are, in fact, confidential.

Informal discussion of the student records with persons not directly involved is a breach of confidentiality. Records may be discussed with another professional when the focus of the discussion is on helping the student.

A list of persons who have expertise in legal/ethical issues in school counseling will be available to counselors for the purpose of consultation. Other professionals include, but are not limited to, members of the student support team, professional counselors including school counselors, school/district administrators, community mental health agencies, state department personnel and other professionals in the field of counseling.

Written or oral reports will present only data germane to the purposes of the report. Every effort is made to avoid undue invasion of privacy.

If a student has revealed information that indicates a violation of South Carolina laws regarding child welfare and/or protection, then the counselor must inform the appropriate individuals, which may include parents, school authorities, and law enforcement agencies.

When a student has revealed information that indicates involvement in an activity that is likely to result in imminent danger to himself/herself or to someone else, the counselor will (a) try to persuade the student to discontinue the activity and (b) explain the counselor’s responsibility to inform appropriate individuals. If steps (a) and (b) do not deter the student, the counselor is ethically bound to take reasonable action to inform responsible authorities and/or parents.

Depending on the nature of the situation, the student’s name may have to be revealed as soon as the counselor is aware of the situation. The individuals to be notified will be determined by the context of the situation and the counselor’s judgment of which authority will best serve the needs of the student.

If the counselor is subpoenaed to testify in a legal proceeding but does not wish to reveal information to protect the student’s best interests, the counselor may do the following:
- Become an agent of the student’s attorney, that is, by revealing the student’s case, the counselor may invoke the attorney-client privilege (The attorney must raise the privilege in court for the counselor to be protected by it.)
- Request that the information be received in the judge’s chamber rather than in open court. Neither of these options guarantees the counselor’s privilege not to reveal information.

In summary, the counselor-student relationship is private and requires compliance with confidentiality standards.

School counselors, however, work with minors and their legal responsibility is generally to the parents, whereas their ethical responsibility may be more to the student. Many times the legal and ethical requirements are not always in agreement, thus placing the counselor in a precarious position that must be balanced to ensure the rights of students and at the same time ensure the rights of the parents. Applying ethical standards to practical situations is difficult because the students are minors in most cases. Moreover, there exists an ethical-legal responsibility to the school district. The literature recommends that students should have control over the release of information that results from their choosing to engage in the counseling process, and the student can bring suit against the counselor for revealing confidential information without his/her permission. Counselors must become familiar with local, state and federal laws as well as follow the professional guidelines for their code of ethics.

School Professionals are important advocates for your child’s development. In order to foster effective communication, we ask that you consider the following:

- Encourage your child to communicate concerns to school professionals.
- When contacting a teacher, counselor or administrator, clearly state the subject of your inquiry. Keep communications to the point. Brief, concise statements allow clear consideration of important points.
- You must schedule conferences through the Guidance Office (803-548-8235). If you are unable to attend, please inform guidance as soon as possible.
- Conferences will be conducted with mutual consideration and courtesy. Expect a conference to be terminated when behavior is inappropriate.
- Classroom and administrative policies are implemented on the basis of many factors. Policies are not altered for the benefit of one student.

Having a team of professionals working together is a powerful ally for helping your child mature into a responsible adult. Catawba Ridge High School is committed to this worthwhile goal.

**Academics**

Catawba Ridge High School is structured on a four period day/semester schedule. This concentrated semester schedule is designed to help students succeed. The planning process between the student, parents, and the guidance department is essential for academic success. Parent conferences are encouraged and may be held at any time during the school year by calling the Guidance Office. The ultimate responsibility for the student’s four-year academic plan is based on the decisions of the student and parents. More information can be found in the
Program of Studies, which was issued to each student in the spring or by calling the Guidance Office.

**Make-Up Work**  
Fort Mill School District Policy JH-R allows five (5) days for make-up work. If a student misses a class, it is solely his or her responsibility to consult with the teacher on the first day back concerning make-up work or missed assignments. If a student misses an assigned test, it is his or her responsibility to contact the teacher to make up the test within the 5 day makeup window. The fact that an absence from class is excused does not relieve the student of the responsibility of making up the work. Each teacher will establish, explain, and post procedures for making up work. However, parents/guardians may pick up assignments in the guidance office. Teachers will have at least 24 hours to get work together and sent to guidance for parent/guardian pickup.

**Course Load/Dropping a Subject**  
All students in grades 9-11 will be required to take 8 units of coursework. All students are expected to take English and Math every year. Seniors will be required to take at least 6 units. Once a student is scheduled into a course, she/he will not be able to change or drop the course.

**All Schedules are FINAL the first day of school.**

**Grade Reporting**  
Students will be issued midterm reports at the 3-week mark and report cards at the end of each 6-week marking period. The report card dates are listed on the Fort Mill School District calendar. Students will be graded on the State Uniform Grading Policy. Grades are posted within 10 school days of the assignment due date or test date.

**Term Exams**  
Exams will be held in the last week of the 1st term and the last week of the 2nd term. All exams count 10% of the final average, except for Algebra 1, Intermediate Algebra, Biology 1, English 1 and US History. According to state regulations, the end of course exams in these subjects will count 20% of the final average. Everyone will take an exam on the day the exam is scheduled unless prior approval by the principal has been given.

**FINALS WILL NOT BE SCHEDULED EARLY WITHOUT APPROVAL FROM ADMINISTRATION AND WILL BE SCHEDULED AT A LATER DATE.**

**Senior Exam Exemption Policy (School Year 2020-2021)**  
Exams will be given in all courses at the end of each term. Only Seniors may exempt exams under the following conditions:

- The senior has no more than three unexcused absences for the term;
- The senior has no more than two unexcused absences during the 3rd six week marking period (M3 or M6) of the semester in which they are seeking to exempt an exam;
- The senior has not been suspended or assigned to ISS during the term;
- The senior has a term average of 90.
Grade Point System

All students will have their GPA and class rank computed using the State Uniform Grading Policy guidelines and conversion scale. (This conversion scale may be found in the Program of Studies.) The State Uniform Grading Policy requires the following guidelines for all students: Students who withdraw from a course after 5 days will be assigned a WF plus a grade of 51 that will be calculated in the student’s overall GPA. Students may retake the same course at the same difficulty level under the following conditions: Only courses in which a grade of a D or F was earned may be retaken. The course in which a D or F was earned may only be retaken during the current academic year or no later than the next academic school year. The student’s record will reflect all courses taken and the grade earned with the following exception:

Students taking courses for a Carnegie unit prior to their 9th grade year may retake any such course during their 9th grade year. In this case, only the 9th grade retake grade will be used in figuring the student’s GPA and only the 9th grade attempt will show on the transcript. This rule will apply whether the grade earned is higher or lower than the pre-ninth grade attempt.

Honor Graduates Selection

To be designated as an Honor Graduate at the graduation ceremony:

- Students with the 2 highest academic averages at the end of the 8th semester will be designated as speakers at the graduation ceremony. The student with the highest average will be valedictorian and the second highest average will be salutatorian. If there are ties for the highest averages, all students involved in the ties will be designated as honor graduates.
- A student vying for honor graduate must complete 4 calendar years of high school, the last two semesters at Catawba Ridge High School and be enrolled in a Math or English course during their senior year.

Junior Marshals

Junior Marshals are the 10 students having the highest academic averages at the end of the 5th semester.

Credit Recovery

The purpose of the credit recovery program is assist high school students who fail to pass a core class but receive a grade of 55-59 in meeting promotion and graduation requirements. At the end of each semester, the administration will contact those that qualify for this program.

- Participating students MUST have attended a minimum of 120 hours of seat time in the course for which they received No Credit.
- Participating students MUST have previously failed the course with a grade of 55-59.
- A grade of P is awarded in any subject successfully completed in Credit Recovery course. (Participating in Credit Recovery does not meet NCAA Standards.)

More information about curriculum may be found in the Program of Studies or by calling the Guidance Office.
Extra-Curricular Activities Clubs
Students at Catawba Ridge High School have an excellent opportunity for self-direction and further training through the auspices of club organizations. There will be a club to meet the needs of any student, whether the interest is in science, language, vocation, sports, or school and community service. Students share the responsibilities of organizing and evaluating the activities and work toward developing democratic leadership.

For the first year, clubs will be determined by teachers/sponsors/students. In the following years, new clubs will be established during May. New clubs must apply and be approved by administration. Procedures are in place for application and review for approval beginning the next school year. Inactive clubs will be dropped from clubs offered.

All students participating in co-curricular activities must attend school on the day of participation in the activity if it is scheduled on a school day.

Publications
The school yearbook is not just a collection of names or faces, but a collection of memories. It is a pictorial essay of student activities including both group and individual achievements. The staff is representative of all grade levels at Catawba Ridge High School.

### Potential Make-up Days:

- Typically the first available make-up day, after a school closure, is used. See H.3980 details below.

School delays, early dismissals, and cancellations are communicated via the district’s messaging system and are also posted on the district’s website: www.fortmillschools.org. State Law H.3980 requires that 3 statutory make-up days must be used before a school board is granted the right to waive up to 3 remaining make-up days. Therefore, the calendar, including the first and last day of school, is subject to change in the event of severe weather, changes to the current legislation, or other unforeseen circumstances.
